

# THE BROKEN POT

## A LITTLE BIT MORE ABOUT THE BROKEN POT

Fragments of pottery crushed into the 'Stroom' of our 'Oude Dorp', speak of stories too long, to travellers, friends & lovers that have made the corner on Tom Street their own. From flying of the new flags ageless pacts arms exhausted all to build our city on the banks of the Mooirivier is what moves our restaurant to march on with the folks whose roots were planted here before the mid-1800's filling our souls with merriment and out belliesith scrumptios nourishment.

Others however, attribute the name to the word 'Potcherf', meaning Broken Pot, due to the cracks that appeared in the bed of the Mooirivier during drought resembling a broken pot.

At The Broken Pot, we believe that great food is all about good vibes and good company. Whether you're here for a quick bite with friends or a relaxed meal with family, our menu is designed to bring you the flavours you crave in a setting where you can enjoy the moment.

We've crafted a menu filled with fresh, high-quality ingredients and our tasty twists on the classics—because we think dining out should be simple, delicious, and totally satisfying. No fuss, just fantastic food that makes you feel right at home.

From our kitchen to your table, every dish is made fresh and with love, and we can't wait to share it with you.
